J A N U A R Y 2 0 1 6

Hello Fellow SIWDB Members,

Our message today is for a Happy 2016 to all of you who volunteer your time to improve workforce development efforts in southern Illinois and who will be working toward that goal in 2016 for southern Illinois.

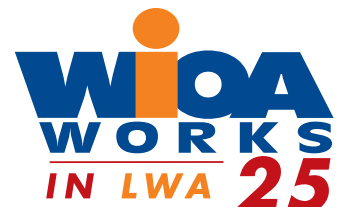

- Thanks to so many of you who were able to join us on December 1 for our Southern Illinois Workforce Development Board meeting. The room of leaders was heavily engaged in networking and made a great backdrop to the seasonal music playing!
- Thanks also to our team who traveled to Effingham, December 9, 2015, to begin the journey of creating a Regional Plan for sector strategies and training to meet the demands of our regional employers within the southernmost 19 counties. Another Regional Plan meeting will be held this Thursday, January 14, 9:00 a.m. in the Marion ManTraCon conference room.
- Thanks to all the public and private sector and economic development partners who are giving valuable time to creating this plan. **Don't forget Friday, January 15, 8:30-9:30 a.m., our national consultant, Melanie Arthur, will be at ManTraCon to talk about Board committees and functions.** Please join us in person if you are able or by phone if you can't make it in person. After our hour long meeting with Melanie, she will lead our WIOA partners in a great beginning discussion of the Memorandum of Understanding (MOU) and the services of our Comprehensive One Stop. Thanks again to everyone who will make the MOU meeting a priority!

Good news! Our workforce board received notice of Certification from the Governor's office so we can begin the important work of our new board. This WIOA transition period is very labor intensive and we are grateful to the strong relationships we have within our workforce area for the MOU and within the larger region for the Regional Plan work that is occurring. Kathy will be calling a few of you to finish Board Orientation this month. With your assistance, 2016 will prove to be a very important year for workforce development in southern Illinois.

Sincerely,

Mary M. Roe
SIWDB Chairperson

SIWDB One-Stop System Building

Friday, January 15, 2016; 10:00 a.m. to 3:00 p.m. (CST)

A training retreat facilitated by Melanie Arthur for all partners, members of the One-Stop Committee, and other interested parties.

As a prelude to completing the One-Stop partners' Memoranda of Understanding (MOU), this retreat presents a working opportunity to further enhance the design and shared operations of the One-Stop system. Outcomes focus on identification of shared costs, and recommendations for other system elements including the role of the One-Stop operator, location of the comprehensive One-Stop center, and a model for organizing basic career services. This retreat is the first of a series of short-term working meetings to reach agreement on all required components of the MOU. *(Lunch will be provided.)*
